

INTRO DUCTION TION

The Faculty of Computing and Informatics is an important academic unit of the Multimedia University, designed to serve the Multimedia Super Corridor (MSC) and the wider community by creating diverse educational opportunities in IT and multimedia. The faculty trains and produces IT professionals of very high caliber through our world class facilities for learning and research in IT, highly qualified staff and collaborative efforts with R&D groups and industries within the MSC.

PROGRAMME EDUCATIONAL OBJECTIVES

PE01: To produce students with the fundamental knowledge and skills required to pursue a degree in Computer Science or Information Technology.

PROGRAMME LEARNING OUTCOME

At the end of this programme, students will be able to

PL01

Describe knowledge and understanding of basic concepts, principles, and processes of computing and mathematics.

PL02

Apply fundamental principles to solve problems analytically and scientifically.

PL03

Build solutions with basic techniques, skills, and tools individually or in a group.

PL04

Demonstrate effective oral or written communication in problem solving.

PL05

Use digital technology applications to solve computing problems.

PL06

Demonstrate personal and entrepreneurial skills to pursue lifelong learning independently.

GRADING SYSTEM

GRADE

Grade means the final grade of a course for a trimester based on the total scores awarded for coursework and end-of-trimester examination.

GRADE	MARKS	POINTS
A+	90 - 100	4.00
A	80 - <90	4.00
A-	75 - <80	3.67 - 3.93
B+	70 - <75	3.33 - 3.60
B	65 - <70	3.00 - 3.27
B-	60 - <65	2.67 - 2.93
C+	55 - <60	2.33 - 2.59
C	50 - <55	2.00 - 2.26
C-	47 - <50	1.67
D+	44 - <47	1.33
F	0 - <40	0
PS	50 - 100	-
FL	0 - <50	-

GRADE POINT AVERAGE (GPA)

GPA is the average grade of a student for a given trimester computed by taking the sum of the products of credit hour and quality point equivalent @ grade point divided by the total credit hours taken for that trimester.

$$\text{GPA} = \frac{\text{Total Quality Point Equivalent}}{\text{Total Credit}}$$

$$\text{CGPA} = \frac{\text{Total Accumulated Point Equivalent}}{\text{Total Accumulated Credit Hours}}$$

PLAN OF STUDY

- The plan of study for any student shall contain the subjects that the student shall register each trimester for the duration of his studies in the programme. The plan shall be formulated by the student on the advice of his academic advisor so as to ensure that pre-requisite course requirements are met, and core subjects related to the student's major and electives are included in the study plan.
- Registration for courses must be completed before the beginning of each academic trimester.
- Students may register for new subjects or withdraw from a subject during the first two weeks of the trimester.
- The Dean of a Faculty may grant exemption from pre-requisite subjects to students, that they deem fit.

ACADEMIC LOAD

- Students shall register all subjects as according to the programme structure by trimester. Students who fail to follow the programme structure are subjected to the minimum and maximum academic load as prescribed below:

Academic Status	1st and 2nd Trimester (14 weeks)		3rd Trimester (7 weeks)	
	Non - Engineering Degree	Engineering Degree	Non - Engineering Degree	Engineering Degree
Students Not Following Programme Structure	Max: 20 Min : 12	Max: 18 Min : 12	Max: 10 Min : 6	Max: 9 Min : 6
Students Following Programme Structure	Students are required to enroll according to the credit hours stipulated in the programme		Students are required to enroll according to the credit hours stipulated in the programme	

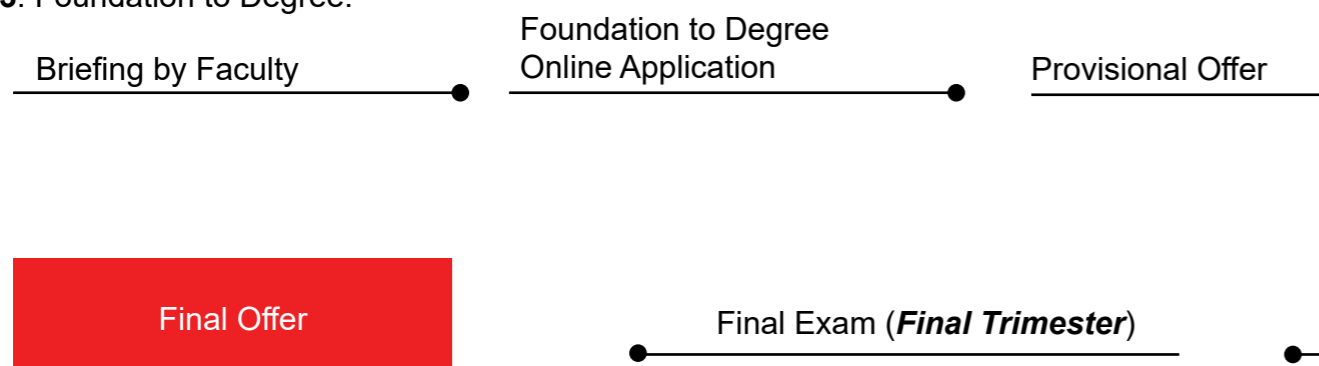

FOUNDATION TO DEGREE APPLICATION

1. Student who is eligible to progress to degree program will receive an email from MMU entitled "Application to Degree program" once he/she is in the **final trimester** of the foundation program.

2. Navigation for application to degree is as follows:

Log into CaMSys —● Main Menu —● Self Service —● Application for Degree

3. Foundation to Degree:

Important note: Students' placement in the Bachelor Degree courses, either in Cyberjaya or Melaka campus, will be at the sole discretion of Multimedia University .

ACADEMIC ADVISORY PROGRAMME

OBJECTIVE

To provide an environment of continuous academic advisory support in terms of assisting students with correct academic information, advising students on the subjects and workloads to be taken per trimester as well as advising students on other academic and non-academic matters.

IMPLEMENTATION

1. Each student will be assigned an Academic Advisor during the first trimester. Below is the navigation to view student's academic advisor:

Log into CaMSys —● Self Service —● Academics —● Academics Records
My Advisor ●

2. The Academic Advisor will provide necessary advisory support, and monitor students' performance.

3. All students will be required to meet their Academic Advisor at least twice a trimester :

a. **Beginning every Trimester** – students will see their Academic Advisor to discuss their study load and report their previous final examination results.

b. **Before the end of every Trimester** – to discuss subjects to be taken next Trimester as well as their study load. The Academic Advisor will refer the students to specialist counselor if deemed necessary.

4. It is an obligation for every student to complete an assessment in the Academic Advisory System (AAS) before continuing with the pre-subject registration. Failure to complete the assessment will result in the subject registration for the next trimester being blocked. Navigation to the AAS can be reached as follows:

Log into CaMSys —● Main Menu —● Self Service —● Survey
Academic Advisory System (AAS) ● Survey/Applications ●

IMPORTANT LINKS FOR STUDENT

1. Only MMU students have access to all the links listed below.
2. Please use the Username (student ID) and Password given to access MMU Portal.
3. While in campus, student may go to <http://www.mmu.edu.my> for further information on Multimedia University including MMU Portal, financial aid, services available in campus and others. If student is out of the campus area, to access MMU Portal, please use this URL, <https://online.mmu.edu.my/index.php>
4. Services rendered by MMU are listed in the following link: https://online.mmu.edu.my/intra/Masterlist_of_Student_Services_v1_19072021.pdf

5. Student may refer to the following links for subject registration:

a. Subject Registration Tutorial:

<https://www.youtube.com/watch?v=2VGtp1jM578>

b. Subject Registration link in CamSys:

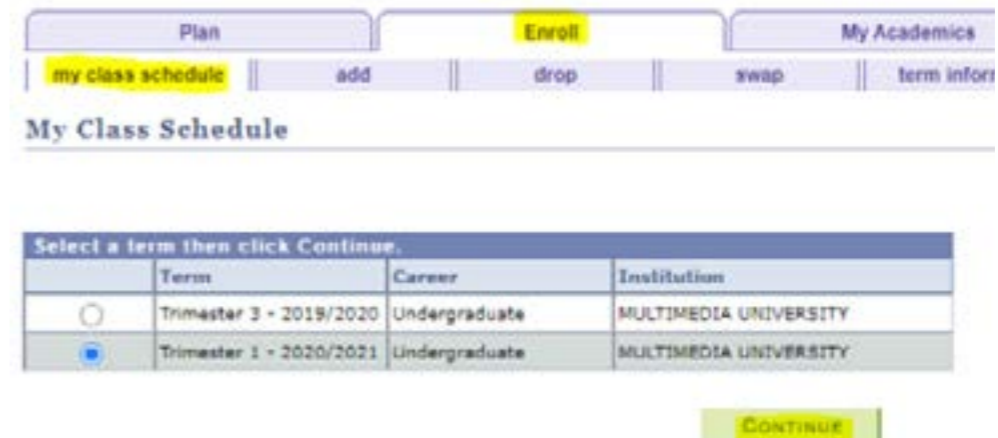

<https://cms.mmu.edu.my/psp/csprd/?cmd=login&languageCd=ENG&>

c. How to Add / Drop Subject :

<https://drive.google.com/drive/folders/1DonAkK9ESKMPQYB5zgWzu5-JJVNFKGRl?usp=sharing>

6. To view student's timetable:

Step 1 : Click tab “Enroll” and tab “my class schedule”. Then select your next trimester and click “Continue” button.

Step 2 : Now students should be able to view the timetable.

7. Bulletin Board :

Students are encouraged to log in the MMU Portal and frequent the Bulletin Board for the latest information, announcement and happenings in MMU.

8. Student Services :

Go to MMU portal, look for “Student Services” and click “Forms and Guidelines” for more information on MMU including examination rules and regulations.

9. FCI Homepage: Please visit <https://fci.mmu.edu.my/> to obtain more information on the faculty.

10. Academic Calendar: <https://www.mmu.edu.my/academic-calendar/> Student may download the academic calendar for each trimester from this URL.
